A Message from Miss Towler

Dear Parents and Carers,

It has been a great week at school, filled with positive energy and focused learning across all year groups.

A highlight of this week was definitely meeting with FOSHA, our Parent Teacher Association. We had a wonderfully productive discussion about upcoming events, fundraising goals and ways to continue strengthening our school community. I am incredibly grateful to all the parents and carers who dedicate their time and effort to support our pupils and staff. If you are keen to be involved please don't hesitate to contact the school office and we can support with this.

As we progress further into the Autumn term, it is fantastic to see how well our pupils have settled into their daily routines. Their enthusiasm and hard work in the classroom continue to make us proud every day. My greatest moments this week have included making Wow phone calls with the children to their families. Welcoming our children into my office to make a call to their families has been a really special treat. Hopefully there will be a few more phone calls next week!

We have a busy and exciting period ahead leading up to the half term break. Details regarding upcoming events, including Parents Evening and our community activities, are being shared so keep an eye on Arbor and these newsletters for those all important updates.

Thank you as always for your ongoing support and partnership. I hope you and your family have a restful weekend.

Best wishes,
Caroline Towler
Headteacher

WELL DONE

Morning Expectations

We have noticed that lots of children are arriving at school quite early and enjoying time together on the field, including playing football and using the areas around the trees and mounts. It is lovely to see the children enjoying being active and spending time with their friends, but we do need to make sure that they are safe while they are waiting for the school day to begin.

This is particularly important for some of our KS2 children who walk to school independently and may arrive without an adult.

We have also noticed that, when the school doors open, some children are taking a little longer to make their way in from the field. This has meant that a few children have been arriving at their classrooms after the start of the school day.

We would really appreciate it if you could remind your child that, when they arrive at school, they should wait on the playground or outside their classroom and be ready to come into school when the doors open.

Thank you, as always, for your support and for helping us to give all of our children a happy and positive start to their school day.

Allergy Aware School

We are an allergy aware school.

Nuts are prohibited on school site, and should not be put in children's packed lunches or brought in as a playtime snack.

Including school trips and events.

Thank you

Medical Appointments

We know that arranging appointments isn't always easy, but where possible, please try to book routine medical, dental and optician appointments outside of school hours.

If an appointment during the school day is unavoidable, please let us know as soon as possible.

We really appreciate your support in helping your child make the most of every school day.

Jewellery Update

Just a reminder that children should wear stud earrings only.

Please can we ask that you make sure that your child doesn't wear hoop or dangly earrings for school.

We also ask that children don't wear any other jewellery to school including bracelets, necklaces and rings.

Thank you for your support with this.

A Little Reminder About Grapes

A gentle reminder to families about the importance of cutting grapes before sending them into school.

Whole grapes can be a choking hazard for young children, so please ensure grapes are cut lengthways into smaller pieces before being included in your child's lunch or snack.

What's Cooking?

This week I have continued working with Team Loxley making Vegetable Paella. The children have used several skills in the making of this dish, including cutting, weighing, measuring and had the opportunity to use the hob to cook (boil and simmer) their Paella.

They were able to answer questions relating to seasonality and where their ingredients may have come from (primarily rice, peppers and chickpeas) and identified where the particular ingredients belonged on the EatWell Guide. The children also enjoyed using globes to locate the countries where rice and peppers grow.

Well done to all the children that have visited cook school this week, your Paella looked amazing and I hope you were able to share it at home.

I will be working with Team Calder next week, making more delicious Paella!

Young Voices News

Young Voices – Rehearsal Update

Another fabulous rehearsal this week, and our choir members have been working incredibly hard on a very tricky song!

After spending the week learning the first two verses of **“Don’t Be Anything Less Than Everything You Can Be”** by heart, they sounded great. We are so proud of the progress they are making.

Over the next week, we would love for the children to learn the final two verses of the song. It gets faster and is definitely trickier, so they may need to spend a little extra time practising at home.

A very important ticket reminder

If you would like to come along and watch your Young Voices choir member perform at Sheffield Arena, please remember to reserve your tickets through the Young Voices Music Room.

The deadline for ordering tickets is Friday 9th October.

Please make sure you place your order by this date, as we cannot guarantee that tickets will be available to order after the deadline.

We are so excited to see our choir members perform and hope as many of you as possible will be able to join us for what promises to be a very special evening!

We have another exciting week of learning ahead in Team Esk! We will be busy exploring sounds, numbers, songs and, most importantly, learning more about what makes each of us special.

Phonics – Rhyme Time

This week, as part of Little Wandle Rhyme Time, our focus rhyme is
“1,2,3,4,5 Once I Caught A Fish Alive”

Through our sessions, we will:

- Listen carefully to different sounds and try to identify what they are.
- Have fun making different sound patterns using our voices.
- Work together to explore the different syllables we can hear in words.
- Develop our listening and attention skills through rhyme, rhythm and sound.

Maths

Counting Around Our Classroom

This week in maths, we will be practising our counting skills by counting different objects around our classroom.

We will explore questions such as:

- How many children can we see?
- How many tables are in Team Esk?
- How many chairs are there?
- How many cars do we have in Team Esk?

We will practise counting carefully, touching or pointing to each object once, and saying the numbers in the correct order. We will also compare our groups and talk about which has more, fewer or the same.

Tapestry Accounts

All children have now been allocated a Tapestry account. Please could you check your junk/spam folder for an activation email from Tapestry, which will allow you to access your child's account.

If you are having any trouble activating or accessing your account, please speak to Miss Powell, who will be happy to help.

Topic – Who Am I?

As part of our ‘**Who Am I?**’ topic, we will be talking about our families and the special people in our lives.

Please could you upload a photo of your child's family to Tapestry? We will use these during our discussions, giving the children the opportunity to talk about and share who is important to them.

We look forward to finding out all about each other's families!

Reception – Nidd & Swale

We are so proud of our little ones this week! They have been showing increasing independence each day as they become familiar with lots of new routines. One of our new routines this week has been remembering to bring their school reading book bag into school every day. Thank you for your support with this.

Our **Tapestry account is now back up and running**. Thank you all for your patience while this was being resolved.

Phonics and Reading

This week, we have continued our phonics learning during our group sessions. The children have been practising their **Star Listening skills** through lots of fun games with Miss Slinn and Mrs Murray.

One of our favourites has been the **“Copy Me” game**, where the children listen carefully to the sounds we make and then repeat them. These activities help the children to develop the strong listening and attention skills they need for learning to read.

We teach phonics using **Little Wandle**, and they have a fantastic webpage for parents that shows the Phase 2 sounds we will be learning during Autumn 1.

You can find this by searching:

Little Wandle → For Parents → Phase 2 Autumn 1

It is a great way to see how we teach each sound and how you can support your child at home when we send home their phonics learning.

We have also begun reading in small groups. In your child's book bag, you will find:

- Their reading book
- A story book
- Their reading diary

We ask that you share your child's **school phonics reading book** at least three times a week. We would love to hear any comments or feedback, but if you are short on time, simply signing the reading diary and writing “x3” is absolutely fine. This lets us know that you have supported your child with their reading at home.

Maths

In Maths, we have been exploring the numbers **1, 2 and 3**. We have been using concrete and pictorial resources to help the children understand the **composition of numbers** and how numbers can be made up in different ways.

It has been a busy and exciting week, and we are so pleased with how well the children are settling into their new routines and showing their growing independence.

Key Stage 1 – Aire, Wharfe & Ouse

The children have been **fantastic this week!** They have really engaged with their learning and have shown lots of enthusiasm and imagination.

Our Learning

We have particularly enjoyed our **writing this week**, where we have been using our imaginations to think about how everyday objects could be transformed into something completely different. The children have come up with some wonderful ideas and have enjoyed getting creative with their writing!

Reminder – Toys from Home

A gentle reminder that **toys should not be brought into school**. We have lots of exciting resources and activities in school for the children to enjoy, and keeping toys at home helps us to avoid distractions and lost or broken items. Thank you for your support with this.

Parent Consultations

You should have received information about your **parent consultation meeting**. Please remember to book your appointment if you haven't already done so. We look forward to speaking with you about your child's progress and sharing all the wonderful things they have been doing in school.

Homework & Reading

Phonics homework is being sent home today. This week, the children will be practising **reading words containing our new digraphs**. Please spend some time reading the words together and encouraging your child to use their phonics to sound them out.

Please also remember to **read with your child at least 3 times a week** and record this in their reading record. Regular reading at home makes a huge difference to the children's confidence and progress.

Resource Request

If you are able to help, we would really appreciate donations of **clean, empty 2-litre plastic bottles** for use in our upcoming activities.

Thank you, as always, for your continued support. We hope you have a lovely weekend!

Lower Key Stage 2 – Dove, Derwent & Foss

It has been a lovely week in LKS2 this week. In English, we had fun coming up with actions for our new story map and the children are looking forward to putting their setting description skills into practice in a story context!

In Science, we completed an investigation to test different foods to see their fat content. We made a prediction of which food we were expecting to leave the biggest mark and took accurate measurements using mm. We recorded our results in a table and made conclusions from them! There are some super LKS2 scientists!

Coming up next week:

Individual school photos are on Wednesday. Please can the Year 3s come in full school uniform and bring some trainers which will be suitable for PE as a one off.

Creative Curriculum: We will be looking at the question: 'What did they believe?'

English: We will be practicing using coordinating conjunctions before writing our first attempt of our narrative.

Maths: We will look at how many 100s and 1s make 1,000, how to compose and decompose 4 digit numbers, how to order sets of numbers, including up to 4 digit numbers and to find 1,000 more or less than a given number.

PE Year 3 & 4: Children need to come dressed in PE kit on Wednesday & Thursday. Children need to wear a pair of plain black or navy blue jogging bottoms or shorts, a plain white t-shirt and a plain black or navy blue hoodie. Children need to wear suitable shoes for PE (trainers or plimsolls).

PE Year 4: We go swimming on Wednesday. Children need to come to school in their uniform and bring their swimming kit in a bag. Earrings will need to be removed for swimming.

Y3 & Y4 PSHE: We will be doing a lesson on kind friendships and how to resolve issues that may arise within friendships.

Homework:

Children have had the opportunity to change their reading books today and should have a new book.

Reading records will be checked on a Friday but please can children bring their reading book and reading record into school with them each day (their reading records have their logins in so they might need to use them in the classroom).

A message will be sent out at a later date about spelling and maths homework.

Don't forget to keep checking Instagram to see what learning we have been up to!

Upper Key Stage 2 – Loxley , Calder & Humber

The children have had a great week, investigating friction in science and finding out about the allied and axis forces in their curriculum lesson.

We are all looking forward to our trip to Eden Camp next Monday to enhance our curriculum learning.

Next week:

English: We will be completing independent narratives based on the evacuation of Dunkirk.

Maths: Y5 – we will be continuing our learning on decimals

Y6 – we will be looking at properties of numbers

Curriculum: Eden Camp visit

Science: We will be investigating how some mechanisms (levers, pulleys and gears) allow a smaller force to have a greater effect

PSHE: Y5 – We will be continuing to find out about where to get advice and report concerns if worried about their own or someone else's personal safety (including online)

Y6 – We will be learning about rail safety.

P.E is on Thursday and Friday. Children need to come dressed in PE kit for the whole day. Children need to wear a pair of plain black or navy blue jogging bottoms or shorts, a plain white t-shirt and a plain black or navy blue hoodie. Children need to wear suitable shoes for PE (trainers or plimsolls).

Eden Camp – it is our school trip on Monday. Please arrive at school at normal time. Children should come wearing a school jumper, jogging bottoms and trainers and bring a coat. Children will also need to bring a packed lunch (no nuts please) and two drinks (no fizzy drinks please).

There will be no maths or spelling homework set this week.

Please encourage your child to read at least three times each week and sign their reading record. Books will be changed and reading records will be signed every Friday.

Thank you for your continued support

Autumn Open Day

Saturday 3rd October 9.30 am - 1.00 pm

The best possible start

School Tours / Heads Address at 11.00 am; followed by a musical recital

Independent Day & Boarding School for Boys and Girls 4-18
Proudly providing an exceptional education in the local area for 360 years

12 reasons to choose Read School

- **Small class sizes** supporting individualised teaching - whether for additional support or acceleration.
- **Excellent teaching ensures strong academic results.** (A-Level and BTEC 98% pass rate, with 42% of grades at A/A*, GCSE 82% pass rate, with 40% of grades at 9-6 (A-B)*). Our aspirational culture, small-school setting and dedicated teaching and support teams help pupils to realise their academic potential, while building the confidence and resilience they need for life beyond the classroom. As an inclusive school, every pupil follows a pathway shaped around individual strengths, interests and ambitions. Pupils are not removed from examinations to improve headline figures. Our outcomes are authentic, meaningful and achieved through the determination of our pupils and the care, expertise and encouragement of our staff.
- **Tranquil rural location** - 17 acres of rolling fields provide a peaceful and calm setting in which to thrive.
- **Superb enrichment programme** - Read develops happy, confident young people whose achievements and contributions outside the classroom - from cooking to sports, music to performing arts, Dungeons and Dragons and school history - are valued as much as exam results.
- **Exceptional sports programme** - the core sports of rugby, football and cricket (boys) and hockey, netball, rounders/cricket (girls) are enhanced by athletics, trampolining, tennis and badminton.
- **Football Academy** - Read school has developed an exciting and unique partnership with renowned Pontefract collieries Football club. Students will benefit from studying A Levels/ BTECs at our top independent day and boarding school whilst fully immersed in the academy developing continued footballing potential and talent.
- **Creative arts excellence** - Art, Design Technology and Food are taught alongside Music, Drama and Dance, providing a broad and rich curriculum, now enhanced by Leiths Food Academy accreditation.
- **Combined Cadet Force (Army & RAF)** - For over 100 years, our cadets have benefited from the CCF adventurous activity programme and opportunities to develop skills and exercise responsibility and leadership in a disciplined environment.
- **Duke of Edinburgh (DofE) Programme** - a life enhancing experience where pupils in Y9 and above develop new talents and interests, while evolving skills and confidence. Many sixth formers go on to achieve the prestigious Gold award.
- **Languages & global mindset** - Bucking the national trend for declining uptake in languages, Read School is committed to providing an international education. Pupils at Read School study French, Spanish, German, Mandarin and Latin, benefiting from overseas trips and cultural & exchange programmes.
- **Careers orientation** - strong links with the local business community and a Read Business Network provide a solid careers orientation for pupils with regular industry talks and visits throughout the year.
- **Boarding** offers a range of different boarding options including full, weekly and flexi boarding and builds a unique sense of community for British and overseas students.

There are a myriad of reasons to choose Read School to provide the 'best possible start' for your son or daughter's education. To find out more or to book a visit please contact headsipa@readschool.co.uk
